

Transparency Worksheet

Time Zones

1. How many major time zones are there in the United States?

2. What is the time difference between one time zone and its adjacent time zone?

3. How does the International Date Line affect time east and west of the line?

4. What is the number of hours difference between the International Date Line and the Prime Meridian?

5. Suppose you live on the East Coast of the United States. You want to telephone a friend in England, after your friend has eaten dinner at 8 PM. What time should you make your call?
